

Euro-Par

26th International European Conference on Parallel and Distributed Computing

Warsaw, Poland

24-28 August 2020

2020.euro-par.org

A full week of scientific events including workshops, posters, and tutorials

Conference papers due: 7 February 2020 (abstracts); 14 February (full papers)

Organizers: University of Warsaw, AGH University of Science and Technology

General chairs: Maciej Malawski, Krzysztof Rządca

Workshop chairs: Bartosz Baliś, Dora Blanco Heras

All flavors of parallel and distributed processing

Parallel and Distributed Programming, Interfaces, and Languages

Support Tools and Environments

Data Management, Analytics and Machine Learning

Scheduling and Load Balancing

Cluster, Cloud and Edge Computing

Performance and Power Modeling, Prediction and Evaluation

Multicore and Manycore Parallelism

Parallel Numerical Methods and Applications

Accelerator Computing

High Performance Architectures and Compilers

Theory and Algorithms for Parallel and Distributed Processing

Proceedings in Springer LNCS series
